RESEARCH & PUBLIC SCHOLARSHIP

GRANTS

HIV Criminalization of HIV: Qualitative Insights into the Context of Arrests 2024
IUPUI Arts and Humanities Institute Research and Creative Activity Grant Category. $10,000 Role: PI

HIV Criminalization in Indiana Enforcement Research: Translating Data into Community Legislative Action. IUPUI Arts and Humanities Institute Research and Creative Activity Grant Category C. $12,000 2022
Role: PI

HIV among People who Inject Drugs in SE Indiana Exploratory Study. $2,250 2015
Indiana Campus Compact Scholarship of Engagement Faculty Grant
Role: PI

Rehabilitation and Support Services by Wounded Naval Officers. $79,000 for my services. 2012-14
Department of Navy contract to Purdue University Center for Military Family Research: Subcontract to IUPUI Polis Center (PI Prof. David Bodenhamer). This applied project aimed to understand barriers to support services among veterans with traumatic injury. Findings were used to improve Dept. of Navy services in programs such as MEHOLD.
Role: Qualitative Data Analysis Project Manager.

Amputee Veterans Research Project. $30,000 for my services. 2008-11
Department of Defense. Subcontract awarded to IUPUI Polis Center (PI Prof. David Bodenhamer). This applied project used life history interviews to understand the long-term quality of life experiences of Vietnam Veteran Amputees over the life-course. Findings were used by the DOD to improve rehabilitative services for current war veterans.
Role: Qualitative Data Analysis Project Manager.

Networks of Risk and HIV R01HD055826-01. $1,604,729 (2008-13); I worked on the project-- 2008-11
National Institutes of Health Score: 163, Percentile 17 (PI Prof. David Bell)
This research examined sexual transmissions of HIV risks among dyads composed of HIV+ persons and their HIV- partners to test a risk reduction model.

Role: Co-Investigator, 25% time.

HIV/AIDS Stigma and Women in Arab Countries. $4,693 2008
IUPUI School of Liberal Arts Summer Research and Creative Activity Grant
This survey research assessed the stigma attached to women with HIV/AIDS in four Arabic countries. PI: A. Badahdah University North Dakota.
Role: Co-investigator

Exploring Intentional Childbearing & HIV Risk - R03 HD053229-01. $151,500. 2007-09
National Institute of Child Health and Human Development. Score: 129, Percentile: 2.5
This research used an in-depth interview study design to better understand intentional HIV childbearing experiences.
Role: PI, 25% time.

Intentional Parenting among HIV-Infected Men & Women Research Training Project. $7,901. 2005
Two Grants: IUPUI Office, Professional Development. Women Faculty Support & SLA Summer Research Activity Grant. This project provided funds for post-doctoral qualitative methodological training and for focused time to complete research proposal development.
Role: Post-doctoral Trainee

Family AIDS Network Evaluation Study. $3,000 2004-05
IUPUI Office of Professional Development Service Award
This project evaluated the programming efforts of a local organization (The Mary Rigg Neighborhood Center) in meeting the support needs of women, children, and families impacted by HIV.
Role: PI

Indiana HIV/AIDS Women and Children Needs Assessment Project. $14,137. 2003-04
This project used survey and focus groups to assess the support service needs of women and children impacted by HIV/AIDS in Indiana (Applied Research project for the Mary Rigg Neighborhood Center and the IDOH HIV/STD/Hepatitis Division).
- ASA Spivack Community Action Research Grant, $2,475
- IUPUI Office, Professional Development Summer Research Fellowship, $7,000
- IUPUI SLA Summer Research Activity Grant $4,662

Role: Principal Investigator

Shipps Professional Travel Grant to Present Research at Conferences, SLA IUPUI. 2003, 2004, 2005

Alternative Medicine Use and HIV Project F-31 AT00055. $46,648. 2000-02
National Institutes of Health Pre-Doctoral Disability Fellowship. This project funded my dissertation.
Role: Pre-doctoral Fellow

Global Partnership for HIV Social Science Research in Kenya. R24 HD056668-01 [Unfunded]. 2007
National Institutes of Health, Limited Submission RFA. This project aimed to establish a center for applied research in the social sciences at MOI University, Kenya and to launch a multidisciplinary research study to examine HIV related family caregiving experiences in Kenya. Role: Coinvestigator / J. Dickerson-Putman (PI)
